Note: Amenities represent typical arrangements and may vary by ship. Certain stateroom categories may vary in size and configuration by ship. Stateroom views are considered unobstructed unless noted otherwise. Some categories have portholes versus picture windows. Some staterooms are partially to fully obstructed, as shown on deck plans. Obstructions do not include certain nautical items like handrails, dividers or ship hardware. For balcony staterooms, the view is determined from the perspective of the balcony railing. Balconies may have either solid steel or glass railings. Upper berth and bed ladder capacities are 250 lbs. Staterooms that can accommodate rollaways have two lower berths and one upper berth, and the staterooms can accommodate a fourth berth as a rollaway bed upon request at time of reservation. There are a limited number of rollaway beds per ship, per voyage. Use of rollaway beds restricts cabin space.
