90 YEARS GLOBUS® 1928-2018

ITALY & SPAIN

2018

ORVIETO, ITALY

THE TIME IS NOW THE PLACE? YOUR PICK!

EXPLORE THE UNDISCOVERED.

Only Globus brings you the Italy that only Italians know—beyond Rome, Florence, Venice, and into the northern Lake District, deep into the heart of Tuscany, the undiscovered “heel” of Apulia, and the rugged beauty of Sicily. Globus is introducing two new tours for 2018 that invite you back, or if it’s your first time, will bring to life the true spirit of Italy—the one that, until now, only the Italians know.

- **NEW!** Journey along the coast of Sicily; enjoy a boat cruise to the island of Mozia; walk through the Grecian Valley of the Temples; see Mount Etna, Europe’s largest active volcano; and savor local Sicilian delicacies along the way on “The Sicilian” adventure (page 38).
- **NEW!** Discover Italy’s lesser-known gems. Explore the Apulia region, the “boot” of Italy, from its imposing castles and rich history to its beautiful coastal towns and bayside resorts on the “Hidden Treasures of Southern Italy” (see page 36).

EVERYTHING YOU'VE BEEN WAITING FOR

NO PLANNING. NO WORRIES. NO KIDDING.

A Globus journey is more than a vacation—it's an investment in you. To ensure the greatest return on that investment, we plan a hassle-free, experience-full, all-in-one vacation with everything you'd want and expect, including:

SIGHTSEEING & VIP ACCESS

A Globus tour always includes the major attractions. In fact, Globus offers more included features and behind-the-scenes local experiences than any other Tour Operator, plus you get special VIP access at the must-see sights. We actually take you inside Europe's most awe-inspiring places—right to the head of the line and through the front door. Our itineraries clearly indicate inside visits and special features by putting them into UPPERCASE.

TOUR DIRECTORS & LOCAL GUIDES

With Globus, you travel in the company of genuine local experts—Tour Directors and Local Guides who are actually from the region through which you're traveling. All along the way, they share their vast knowledge of the areas and can point you in the right direction to help you get the most out of your free time.

MEALS

Food and wine tastings plus traditional meals at local restaurants help you experience your destination's culture through its cuisine. Globus tours always include several meals, each featuring at least one complimentary glass of regional wine, beer, soft drinks, coffee, or tea for an additional taste of local flavor.

SUPERIOR HOTELS

Selected for their comfort, beauty, and proximity to key sights, these hotels feature twin-bedded rooms with private bath or shower, all hotel and city taxes, service charges, and tips for baggage handling are included.

TRANSPORTATION

Enjoy private, deluxe touring motorcoaches with free Wi-Fi, air-conditioning, extra leg room, and an emergency restroom. First-class seats are standard on high-speed Continental trains. We can even coordinate your flights with your tour!

TRANSFERS

Airport transfers are included when you book air-inclusive (and for land-only tours with transfers purchased through Globus), and Hosts greet and assist you with the transfer to your hotel.

HEADSETS

Included headsets for sightseeing give you the freedom to roam through some of Europe's most famous attractions without missing a moment of fascinating commentary.

GREAT HOTELS IN THE HEART OF THE ACTION.

For the first time in your life, being in the middle is a good thing. We pre-screen and select hotels based on their central location...plus their comfort, attractiveness, and cleanliness. No need to read countless and overwhelming online hotel reviews. We've already reserved the best rooms mere steps from the greatest sights. For example, while other Tour Operators choose hotels outside of Venice, our Italian tours put you right in the heart of the floating city.

We also know that relaxing at the end of a day of travel or sightseeing is essential. The last thing you want to do is wrestle with suitcases while you stand in line to check in. The hotels we select are masters at efficiently handling group check-ins, so all you have to do is step off your motorcoach and into the hotel lobby. Your Tour Director handles check-in, hands you your key, and arranges baggage delivery right to your room. We even take care of the portage gratuity for you.

Most hotels offer free Wi-Fi in the hotel lobby.

YOUR VACATION, YOUR WAY

THE FREEDOM TO VACATION YOUR WAY.

When you vacation, you're not only traveling to new and exciting places, you're also taking a break from everyday life and schedules—which is why we don't schedule every moment for you. You deserve the freedom to explore on your own, the time to browse those little shops for the perfect souvenir, and the leisure to relax at a sidewalk café with a glass of wine or a decadent pastry. At Globus, we build freedom into every itinerary so you can make your vacation exactly what you want it to be.

HAPPY ANNIVERSARY TO US HAPPY TRAVELS TO YOU

2018 MARKS A SPECIAL YEAR FOR THE GLOBUS FAMILY OF BRANDS.

It was 90 years ago when a young Antonio Mantegazza purchased a rowboat to transport visitors across Lake Lugano, Switzerland, enthusiastically sharing stories of the local sights along the way. That rowboat grew to rowboats. Rowboats grew to motorboats. And motorboats grew to motorcoaches, trains, ferries, water taxis, and river cruise ships, leading travelers to the most fascinating corners of the world.

Nine decades later, we're still paddling, steering, and cruising travelers through the wonders of six continents, with Antonio's passion instilled in each and every one of our tours. To celebrate this incredible milestone, we're sipping champagne in Paris, tasting caviar in St. Petersburg, and doing the tango in Buenos Aires—and you're invited to the party. Our anniversary year kicks off with our Anniversary Tour Series, a collection of exciting vacations around the world starting at just \$1,928 to commemorate the year it all began. Join us in 2018 as we toast one man's passion that became the Globus family of brands—and a passion for us all.

COMMITTED TO OUR PLANET

We're committed to protecting the places we visit. By employing environmentally friendly motorcoaches and partnering with preservation and sustainability initiatives, we're working to ensure the world's icons will be here to thrill travelers for generations to come.

Enjoy a guided visit of the CONVENT OF SAN DOMENICO basement, and see a cell where prisoners of the Inquisition wrote graffiti on the walls. Welcome to Lisbon! At 6 pm, meet your Tour Director and traveling companions for a welcome dinner at your hotel. (D)

DAY 2 LISBON. (Fri.)

Lisbon was the center of Europe's longest-lived overseas empire. Portugal's imperial ambitions date back to Prince Henry the Navigator's 15th-century discoveries in West Africa. Morning sightseeing with a Local Guide features a drive through the Baixa quarter's main squares. Then, enjoy a walk through the cobblestone alleys of quaint ALFAMA, the popular quarter of the seamen and *Fado* singers. Drive along the grand Avenida da Liberdade up to Pombal Square, and stop for pictures of Belem Tower and the Monument to the Discoveries. Also visit JERONIMOS MONASTERY with the tomb of Vasco da Gama. An exciting optional excursion is available to the royal palace of Queluz, as well as dinner at a typical *taverna* with *Fado*-style entertainment. (B)

DAY 3 LISBON–OBIDOS–ALCOBAÇA–NAZARÉ–FATIMA–TOMAR. (Sat.)

Stop in medieval Obidos and go back in time as you pass the main gate in the impressive perimeter wall and walk along the narrow streets. Continue to Alcobaca to visit the CHURCH OF SANTA MARIA MONASTERY, built in the 12th century for 999 Cistercian monks. See the elaborate tombs of King Pedro I and his Castilian lover, Inês de Castro. The fishing harbor of Nazaré is the perfect place for a leisurely lunch break. In the afternoon, mix with the pilgrims at the country's hallowed national shrine, Fatima's SANCTUARY OF OUR LADY OF THE ROSARY. Overnight in Tomar, the historic seat of the mighty Order of the Knights of Christ. (B,D)

DAY 4 TOMAR–CONIMBRIGA–COIMBRA–OPORTO. (Sun.)

Visit the hilltop CONVENT OF CHRIST with its famous Manueline Window. Farther north, the ROMAN RUINS OF CONIMBRIGA are eloquent testimony to centuries of Roman influence. Tour the excavations, admire the well-preserved mosaics, and visit the excellent MUSEUM. Continue to Coimbra, strategically situated on a hill overlooking the Mondego River. After a visit to the gilded baroque LIBRARY of its 700-year-old university, drive by ancient Buçaco Forest on your way to Oporto, Portugal's second-largest city. Tonight, why not join an optional cruise on the Douro River, followed by dinner at one of Oporto's fine restaurants? (B)

DAY 5 OPORTO. (Mon.)

Sightseeing with a Local Guide includes a panoramic drive to the mouth of the Douro River, the soaring cathedral, the richly decorated CHURCH OF SAO FRANCISCO, and the STOCK EXCHANGE with its contemporary ARABIAN HALL, inspired by Granada's Alhambra. ALGARVE

DAY 6 OPORTO–GUIMARAES–VISEU. (Tue.)

Next, **Lf** taste Portuguese *tapas* at the *Quinta da Avelada* WINERY and visit its splendid GARDENS. From here, a scenic road through the port wine vineyards leads to Viseu, where a special dinner with local specialties and wine awaits you at *Forno da Mimi* restaurant. (B,D)

DAY 7 VISEU–BELMONTE–CASTELO DE VIDE–EVORA. (Wed.)

This morning, stop in Belmonte, today a symbol of Jewish awakening, for a visit of the JEWISH MUSEUM. Also enjoy **Lf** an OLIVE OIL TASTING, for which the area is famous. Afternoon break in Castelo de Vide, with time to walk through the Jewish quarter with its white-washed houses and its medieval synagogue. Before arriving in Evora, the cultural center of southern Portugal and a former royal residence, visit **Lf** a CORK FACTORY and learn about the many ways this material can be used. (B,D)

DAY 8 EVORA–ALGARVE. (Thu.)

A massive wall surrounds Evora’s medieval center, classified as a UNESCO World Heritage Site. Follow your Local Guide on a walking tour through its narrow alleys to the Roman Temple, the early gothic CATHEDRAL, Portas de Moura fountain, and SAO FRANCISCO CHURCH. Visit the OSSUARY CHAPEL, whose walls are covered with thousands of human bones and skulls. Next, proceed across the arid Alentejo plain to the Algarve, Portugal’s most popular vacation area, and check in to your hotel with rooms overlooking the ocean. WHAT TO KNOW BEFORE YOU GO

YOU ALWAYS KNOW WHAT YOU GET

OUR ITINERARIES TELL YOU EXACTLY WHAT'S INCLUDED

Read our tour descriptions and you'll understand the real value we offer. Each day's agenda is spelled out, with inside visits and special features indicated in UPPERCASE, so you know exactly what's included in the price.

HAND-SELECTED HOTELS

Excellent accommodations are vital to your enjoyment on vacation, and we're proud to be associated with some of the world's finest hotels, most of which are deluxe (D), superior first-class (SF), or first-class (F) hotels. Each hotel is rated by our quality controllers following standards set by the independent Hotel & Travel Index and by national tourist boards. Hotels are listed on itinerary pages, although it may be necessary to substitute with an alternate hotel of equivalent standard. Your Travel Documents will list hotel addresses with telephone and fax numbers, plus you can find more details on our website. Triple rooms are usually no larger than twin or double rooms. The additional bed is often a roll-away bed put in for the night. Three separate beds cannot be guaranteed.

INCLUDED MEALS

With Globus, mealtimes are designed to help you enjoy the best of each city along the way. Start each day of your vacation the right way—with an included breakfast! The type of breakfast you'll enjoy is specified in each itinerary. Lunch and dinner highlights are tailored to each vacation and may include welcome and farewell dinners, as well as lunches and dinners at local restaurants to give you a true taste of your destination. On all our included meals, whether at a local restaurant or at your hotel, enjoy a complimentary glass of wine, beer, soft drink, and coffee or tea! Plus, we give you freedom to take advantage of the best a city has to offer by not including lunches and dinners where dining locally is a major attraction.

NOTE: We typically cannot process requests for special meals. Some hotels and restaurants may be able to provide for a special diet—vegetarian, salt-free, etc.—but there is no way to guarantee this and, if available, there may be an additional charge associated. Please ask your Tour Director for assistance.

THE FINEST TEAM OF TRAVEL EXPERTS

With Globus, you benefit from the expertise we bring to every vacation. We set very high standards and are dedicated to selecting the right Tour Directors, Local Guides, and Local Hosts. These experts are from the region through which you're traveling, and they share their vast knowledge of the areas and help you maximize each moment. Beyond the professionals you meet on tour are the men and women working diligently behind the scenes. Our extensive technical support network carefully monitors vacations in progress, ensuring your trip goes smoothly and allowing us to deliver unique, quality travel experiences every time.

TRAVEL IN STYLE

When you step aboard your Globus private deluxe motorcoach, you'll be immediately impressed by the comfort and amenities: an emergency restroom; free Wi-Fi (where available); and reclining seats equipped with individual air-conditioning vents, high-fidelity speakers so you won't miss a moment of Tour Director commentary, and extra leg room. While other companies install and sell 53 seats, our average group size is just 36 travelers, so you'll enjoy more seat space. For the comfort of all passengers, our motorcoaches are non-smoking; however, there are opportunities to smoke during the frequent stops. We also have a custom of daily seat rotation to ensure everyone benefits from a variety of views.

LOW AIR-INCLUSIVE PRICES & FREE AIRPORT TRANSFERS

Good reasons to book your flights with the Globus family of brands:

■ Free airport transfers ■ Air coordinated with vacation dates ■ Competitive prices without the hassle

COMPETITIVE PRICES

As a completely independent tour operator, we have no ties to any one airline. We have negotiated the lowest possible airfares with the world's finest carriers on behalf of our travelers. Plus, Globus' buying power means generally better rates for you.

AIR OPTIONS

Globus offers two air options: Flex-Air and Instant Purchase Air. Flex-Air allows flexibility if you want to make changes to your vacation schedule. Instant Purchase Air may offer additional airline options but has more restrictions. Air-inclusive price quotes will include all government-imposed taxes and fees applicable at the time of booking and will be shown as a Total Amount. (Please see "Applicable airfare taxes & fees" section that follows).

GUARANTEED AIR-INCLUSIVE PRICES

Flights are only available to passengers traveling from the United States and only when booked in conjunction with a land vacation (i.e., air-inclusive vacation). An additional non-refundable \$300 flight deposit is required for Flex-Air bookings. Instant Purchase Air requires air payment in full at time of booking plus a non-refundable service fee (\$30 per person for North & Central America, \$50 per person for Europe & Middle East, or \$80 per person for all other international destinations). Once booked, Instant Purchase Air is non-refundable and non-changeable. Some vacations may only offer one air type option. However, once your airfare is confirmed and Globus has received your full air and land deposit, your air-inclusive vacation price is guaranteed.*

Globus reserves the right to ticket passengers upon receipt of full land and air deposit; thus, any subsequent changes and/or revisions to airline reservations at your request after receipt of full land and air deposit are subject to revision fees and/or airline-imposed change or cancellation fees. Generally, these fees are up to \$300 but in some instances, may be up to 100% of the ticketed price. Please ask if any such charges apply before making changes, as all changes at your request are payable by you.

**Please see the Terms & Conditions for full information on our Pricing Policy and applicable guarantees, as well as deposit, final payment, and cancellation terms.*

APPLICABLE AIRFARE TAXES & FEES

Air-inclusive price quotes will include all government-imposed taxes and fees applicable at the time of booking and will be shown as a Total Amount. The total airfare price, the base airfare price, and the applicable government taxes and fees are broken-out line-by-line and shown on the invoice after your travel is booked. Additional airline fees for baggage may apply and are not included in the total amount. Please refer to our website or carrier websites for current baggage pricing information. For return travel from some countries, international travelers are required to pay entry and/or exit fees at the airport. These fees will be collected by the local government and are payable by the traveler at time of travel. Your confirmation booking information will contain information about these fees.

BUSINESS CLASS/PREMIUM ECONOMY UPGRADES AVAILABLE

Business class and/or Premium Economy upgrades may be available for purchase. Please inquire at the time of booking for applicable price quotes.

NOTE: USA connection flights and intra-Europe flights typically do not have upgraded cabins available in conjunction with international upgraded service.

FREE AIRPORT TRANSFERS

When you book your Globus tour air-inclusive, transfers from/to the airport to/from your start/end hotels are included on brochure dates. This can be a substantial savings, as a taxi transfer in some cities is as much as \$85 each way. Transfers will be provided only if confirmed by Globus. Look for confirmation of your transfer in your important travel documents.

HASSLE-FREE BOOKING

With Globus, think of your entire vacation as one-stop shopping. Rather than spending hours researching flight options to coordinate with your vacation

dates, let us handle the work. And when we book your flights, if there are any changes to your vacation schedule, we make the flight changes for you.

SELECTING YOUR FLIGHTS

In most cases you'll be offered a choice of carriers and flight schedules as well as price points to choose from when selecting your flights. Your schedule will be provided to you at the time of booking (schedules are subject to change by carriers). Since seats for our low-cost airfares fill quickly, we urge you to book early. Air-inclusive reservations cannot be made later than 10 days prior to departure. Additional rules may apply. Ask your Travel Consultants for details.

TRANSPORTATION SECURITY ADMINISTRATION (T.S.A.) SECURE FLIGHT REQUIREMENTS

Due to increased travel security around the world, the Transportation Security Administration (TSA) requires airlines to collect this information in accordance with the Secure Flight Program enacted by the U.S. Department of Homeland Security. If the name on the airline reservation does not exactly match the first and last name on the passport, you may not be allowed to board the plane. It is also important that this information be provided correctly at the time of booking, as any changes to your flight booking, which includes spelling, could be subject to a change fee, penalties, higher fares, new schedule, and/or cancellation. Secure Flight Passenger Data (SFPD) includes name as it appears on government-issued ID the passenger plans to use when traveling, date of birth, gender, and Redress Number (if applicable). This information is required within 10 days of booking air with the Globus family of brands.

RECEIVING YOUR ETICKET

Your eTicket receipt is published within your travel documents and will be received by your Travel Agent two to three weeks prior to vacation departure. For late bookings, travel documents, including the eTicket receipt, are sent after final payment is received. Special service requests such as special meals or, if applicable, to advise your frequent flyer number may be done by your Travel Agent directly with the air carrier.

Please retain your ticket copy and boarding passes in the event you need them later for proof of your flights (to accumulate frequent flyer miles, for example). We are unable to supply ticket copies after your return.

WE ALSO ACCEPT YOUR RESERVATION ON A LAND-ONLY BASIS

While booking your vacation air-inclusive gives you all the advantages described here, you can also choose the land-only option. Travelers who make independent flight arrangements on regularly scheduled direct flights (but not chartered flights) may reserve our airport transfer service. Please contact your Travel Consultant about restrictions, availability, and prices at the time of booking and fax (303.703.7060) or send a photocopy of your air itinerary with arrival and departure flights and dates, plus your Globus invoice number, to the Globus Transfer Department. Flight details should be sent apart from other correspondence or payment and must be received no later than five weeks prior to departure.

7. Acceptance on the vacation is subject to presentation of the Traveler Certificate, which will be available in your final Travel Documents.

GLOBUS AIR OPTIONS

8. Flex-Air and Instant Purchase Air: Flex-Air allows flexibility if you want to make changes to your vacation schedule; Instant Purchase Air may offer additional airline options, but has more restrictions. Some vacations may only offer one air option.

AIR-INCLUSIVE VACATIONS & FINAL PAYMENT

9. Additional deposits or payments are required for international air added to the start and/or end of your vacation and/or for intra-vacation air, as specified in the itinerary ("air-inclusive vacations"). Air-inclusive vacation pricing is guaranteed upon receipt of full land plus air deposit or land deposit plus full airfare price, depending on type of airfare purchased (Flex-Air or Instant Purchase Air).

10. Flex-Air: A \$300 non-refundable, non-transferable, per-person air deposit is required at time of booking a Flex-Air air-inclusive vacation package. Applicable land deposit, as above, is also required at time of booking. Once ticketed, cancel/change penalties of at least \$300 per person up to 100% of the air price will apply.

11. Instant Purchase Air: Full air payment plus a non-refundable service fee (\$30 per person North/Central America, \$50 per person Europe/Middle East, and \$80 per person for all other international destinations) is required, and will be included in the quote, at time of booking for Instant Purchase Air booked in conjunction with a Globus vacation. Applicable land deposit, as above, is also required at time of booking. Once booked, Instant Purchase Air is non-changeable and non-refundable after 24 hours from purchase.

12. Air-inclusive packages (Flex or Instant Purchase) are only available from the United States.

13. Intra-vacation air may be Flex-Air or Instant Purchase Air and will be advised at time of booking. For Flex Intra-Vacation Air, an additional \$250 per-person, non-refundable, non-transferable air deposit is required. For Instant Purchase Intra-Vacation Air, full air payment plus a non-refundable service fee (\$30 per person North/Central America, \$50 per person Europe/Middle East, and \$80 per person for all other international destinations) is required, and will be included with the quote, at time of booking for Instant Purchase Intra-Vacation Air booked in conjunction with a Globus vacation. Applicable cruise and Flex-Air deposits or Instant Purchase Air full payments, as above, are also required at time of booking. Intra-vacation air is non-refundable after final payment.

14. Air-inclusive vacations include all taxes, fees, and fuel surcharges. These taxes and fees include:

- September 11th Security Fee up to \$11.20 per person
- Passenger facility charges up to \$18 per person
- Federal domestic flight segment fees up to \$4.10 per segment
- All U.S. and international arrival and departure and other government-imposed fees added by the airlines and applicable at the time of booking

BOOKING CANCELLATIONS & FEES

15. If a booking cancellation is received by Globus prior to the final payment date of your vacation, your non-refundable land deposit and Travel Protection payments will be retained in addition to your Flex-Air deposit, Instant Purchase Air payment and service fee, and/or intra-vacation air deposit or payment.

16. For individual reservations, the following per-person cancellation fees apply for cancellations within final payment date. Total price does not include discounts, promotions, or special incentives. (For group reservations, refer to the Group Policy.)

17. Travel Protection payments are always non-refundable once purchased and will be added to the cancellation fees noted below.

18. Standard Cancellation Fees

- 45-22 days prior to commencement of services: 20% of total price*
- 21-8 days prior to commencement of services: 30% of total price*
- 7-1 days prior to commencement of services: 50% of total price*
- On departure day and later: 100% of total price*

19. *Total price does not include any Instant Purchase Air or Instant Purchase Air service fees, which are non-refundable after 24 hours from purchase. Intra-vacation air is non-refundable after final payment.

20. Cancellation fees may also apply to any additional services, including extra night accommodations, independently supplied services, and optional excursions reserved prior to, during, and after the tour. If flight changes, including, but not limited to, flight cancellations or name changes, are requested after full land and air deposits are received, revision fees, change fees, or airline cancellation fees will apply (see "Revision Fees" below). In many instances, airline revision or change fees can be up to \$300, but in some instances may be up to 100% of the ticket price. Cancellation penalties will be quoted at time of cancellation.

TOUR CANCELLATIONS

21. Globus reserves the right to cancel or reschedule any vacation departure for any reason, including insufficient demand or force majeure. If a vacation is canceled prior to departure, Globus' only responsibility will be to refund the amount received for the reservation. Globus will try to rebook the same vacation with a different departure date, or a similar vacation, but there is no guarantee of availability of offering. For air-inclusive vacations, Globus will try to confirm air schedules for the selected new dates, subject to availability. Globus cannot assume responsibility for any additional costs or any fees relating to the issuance and/or cancellation of air tickets or other travel arrangements not made through Globus.

REVISIONS & REVISION FEES

22. In addition to any airline-imposed change fees, a fee of \$30 per person will be charged by Globus for any alteration or revision made to a reservation after deposit is received. Any revision to a booking, including, but not limited to, flight cancellations or name changes, may result in the loss of confirmed airline reservations or increased airfare, which will be payable by you. In many instances for Flex-Air purchases, airline revision or change fees are up to \$300, but in some instances may be up to 100% of the ticket price. Instant Purchase Air and associated service fees are non-refundable and non-changeable after 24 hours from purchase; thus, alterations or revisions to a booking with Instant Purchase Air will require new air to be purchased, and is subject to full payment, as above.

23. Intra-vacation air and hotel penalties may also apply to alterations or revisions to a booking, and may be up to 100% of the full price.

24. A change of traveler name, vacation date, or itinerary within final payment will be treated as a full cancellation and new reservation; vacation and airfare cancellation fees, as above, apply.

AIR ARRANGEMENTS

25. Airfare may be purchased through Globus for travel originating from the United States. All carriers are independent operators and are not owned, managed, or operated by Globus. Your airline ticket is a contract between you and the air carrier only, even if you purchase through Globus. By purchasing your air services through Globus, you waive all liability for Globus for such air services.

26. Globus is not responsible if an airline cancels, reschedules, or delays a flight for any reason. If you purchased air through Globus, we will try to assist in making new arrangements, provided you have not already checked in with your airline for your first flight segment. After check-in, you must work with the airline directly to reach your destination or to make any alternate arrangements, including amendments to return services. Airline fees often apply for modifications to air schedules not

related to airline-imposed flight cancellations, reschedules, or delays. These fees will be payable to the airline directly at time of request.

27. If you miss your departure flight or connection, it is your responsibility to work with the airline on which you are ticketed to reach your destination. No refunds will be provided by Globus for portions of trips missed due to canceled, rescheduled, or delayed flights after airport check-in, nor is Globus responsible for any additional expenses you may incur prior to joining your trip if you miss your departure flight or flight connection.

28. For air purchased through Globus, if any air schedule requires an overnight stay in a gateway city, Globus can assist you with hotel reservations; however, the cost of the overnight stay (including, but not limited to, hotel and meals) is your expense. Air routings are subject to availability. Routings are not guaranteed and are subject to change at any time.

29. If you make your own flight arrangements, Globus will not be responsible for any loss resulting from cancellation or changes in international gateways, itineraries, or travel dates. We recommend that you do not purchase airline tickets with high penalty charges for changes.

TSA AIRLINE INFORMATION

30. Under the Secure Flight Program enacted by the U.S. Department of Homeland Security, the Transportation Security Administration (TSA) requires airlines to collect information from you for the purposes of Watch List matching. TSA may share information you provide with law enforcement or intelligence agencies or others under its published system of records notice. At time of booking a vacation with air reservations, Globus will collect the required information and add to your air booking to pass to the airline(s) for the Secure Flight Program. The information includes full name, date of birth, gender, and address number (if available). Failure to provide the required TSA information at time of booking will result in the loss of confirmed flights and airfare price, as information is required for ticketing. Rebooking lost airfare is subject to schedule availability at time of rebooking and may result in alternate flight schedules and/or increases in airfare price. Any increase in airfare price is payable by you.

INSECTICIDE

31. Some countries may require aircraft cabin insecticide treatment for inbound foreign flights. For more information about aircraft disinfection requirements and a list of countries requiring disinfection of inbound flights, visit <http://ostpweb.dot.gov/policy/safetyenergyenv/disinsection.htm>.

FREQUENT FLYER & HOTEL REWARD PROGRAMS

32. Frequent Flyer mileage accrual is at the discretion of the airline(s), and is not always granted for airfare purchased through Globus. You will need to contact the airline(s) directly for information on Frequent Flyer Programs and any applicable reward mile accrual. Globus cannot assist with this process. Cancellation penalties, as noted above, will apply to all airfare, regardless of accrual grants. Take this into consideration before purchasing airfare.

33. Hotel rewards/points cannot be earned or redeemed with hotels used by Globus.

ENGLISH

34. All Tour Directors, Local Hosts®, Local Guides, and ships' crews speak English, and all vacation commentary is conducted in English only. For maximum enjoyment and understanding, you should be able to read and speak English.

AUTHORITY TO REMOVE OR REFUSE PASSENGERS

35. In the sole discretion of Globus, Globus may refuse transport to any passenger or may require any passenger to leave the tour if it is reasonably believed that the passenger (1) is dangerous to others or to himself or herself; (2) has engaged in, is engaged in, or is threatening to engage in, behavior that may adversely affect the safety, security, comfort, enjoyment, or well-being of other passengers or Globus representatives, including, but not limited to, behavior that is disruptive, verbally abusive, physically abusive, obnoxious, harassing, discriminatory, or obscene; or (3) has failed or refused, or is failing or refusing, to follow Globus' rules and procedures or the instructions of Globus or its representatives. In the event a passenger is removed, such passenger may be left at any city without any liability to Globus or its representatives. Globus shall not be required to refund any portion of the price paid by any passenger who is removed under the terms of this paragraph, nor shall Globus be responsible for expenses for lodging, medical care, meals, transportation, or any other expenses incurred by the passenger. Globus shall be entitled to recover from the passenger any costs or expenses incurred by Globus or its representatives in the removal of the passenger or the exercise or enforcement of this clause.

TRAVELERS WHO NEED SPECIAL ASSISTANCE ON TOUR AND/OR CRUISES

36. You must report to Globus any disability requiring special attention while on tour or on cruise at the time the reservation is made. Globus will make reasonable attempts to accommodate the special needs of disabled travelers, but is not responsible in the event it is unable to do so nor responsible for any denial of services by air carriers, hotels, restaurants, or other independent suppliers. Globus does not provide personal services (such as pushing a wheelchair, assisting with walking, etc.) and Globus does not provide individual assistance to a vacation participant for walking, dining, getting on and off coaches, cruise ships, and other vehicles, or other personal needs. A qualified and physically able companion should accompany travelers who need such assistance.

37. If we are not notified at time of reservation of any disability requiring special attention, Globus reserves the right to cancel your booking or terminate your vacation if your special needs or disabilities are not suitable for the vacation, pose a threat to the health and safety of other participants or Globus staff, are incompatible with other travelers, or if you are not traveling with a companion who provides all the assistance you require. Globus will not refund or cover any costs or expenses incurred for cancellation, booking, or termination of the vacation. Cancellation penalties, as above, apply.

38. Not all sightseeing stops/sites accommodate wheelchairs, and some locations and sightseeing activities require extensive standing, sitting, or walking—sometimes on unpaved or cobblestone streets. Globus will not refund or cover any cost or expense incurred for any missed activities due to a participant's inability to fully participate with the group. The Americans With Disabilities Act is only applicable within the United States, and facilities for disabled individuals are limited outside its borders. Most transportation services, including the touring motorcoaches and cruise ships, are not equipped with wheelchair ramps. Although some of our ships have elevators, many small ships do not. Passengers requiring ship elevators should inquire before making reservations.

39. Motorized scooters and motorized wheelchairs are not suitable for international travel and are not permitted on Globus tours. Other than on domestic (USA) vacations, arrangements cannot be made to carry or use these on tour or cruise, and if you bring one, you will be asked to make alternate arrangements for transporting the scooter to your end destination at your expense. With prior permission and waivers, we will attempt to accommodate motorized scooters on domestic (USA) vacations, depending on the suitability of the itinerary.

40. Dietary requests and preferences must be provided to Globus at the time of booking. Generally, special dietary or meal requests cannot be processed and are subject to availability at the hotel or venue. There is no guarantee of availability, however, and there may be an additional charge associated with such request which is payable by you at time of service.

MEDICAL AND HEALTH

41. Globus does not employ medical personnel. Any medical attention you require while traveling with Globus must be sought through a local medical facility, if/when available, for diagnosis. All related charges are at your expense. Globus cannot guarantee the availability of medical facilities or for the quality of the care or services.

42. Globus reserves the right to remove or quarantine any passenger who shows signs of illness, or who poses a threat to the safety and health of other passengers. Removal or quarantine of passengers for any health, safety, or behavior-related assessment is at the sole discretion of Globus. Any costs incurred for medical assessments, diagnosis and/or any other medically-related charges are your responsibility to pay and are due at time of services. Passengers will be allowed to rejoin Globus with confirmed medical certification from a licensed health practitioner indicating fit to travel without causing harm or posing a safety threat to other passengers.

YOUNG TRAVELERS

43. Travelers who are under 18 years old on the departure date must be accompanied by an adult throughout the vacation and are requested to share an adult's accommodation.

44. Children under 8 years of age are not allowed on any Globus vacation. For any special requirements regarding airline tickets for children, contact your airline directly.

45. There are no age restrictions on Monograms vacations. For special arrangements regarding airline tickets for children, contact your airline directly.

46. The following young traveler discounts apply to Globus vacations. The below discounts apply when sharing accommodations with two adults. To receive the young traveler's discount, the age of the traveler must qualify at commencement of services.

- On Globus escorted vacations, young travelers ages 8-17 receive a 10% discount on the base land vacation price.

- On Monograms vacations, young travelers ages 2-17 receive a 10% discount on the land vacation price. Travelers under age 2 are free of charge and require payment directly to the hotel for necessities (i.e., crib).

47. Due to heightened security, many countries have adopted practices to prevent international abductions of children. If a child will be traveling with adults other than the parents or with only one parent, it is recommended that a notarized letter be written by the parents or non-traveling parent granting authorization to travel, including the dates of travel. We suggest that you also contact the appropriate consulate and airlines because they may have additional requirements or recommendations.

SMOKING & ILLEGAL DRUGS

48. Smoking is not allowed on transportation that is exclusively provided by Globus. On cruise ships, smoking is restricted to certain areas of the vessel. Smoking includes cigarettes, e-cigarettes, cigars, e-cigs, or any other smoking device.

49. Many hotels, restaurants, and other venues are smoke-free or have non-smoking regulations in public spaces. Smoking may be restricted to certain areas or not allowed. You are responsible to abide by all third-party smoking policies.

50. Any carriage or possession of illegal drugs will result in immediate termination of the Globus Vacation. You are responsible for knowing and observing the Licensing Laws for drug possession for all countries and states you are visiting. Repatriation is at your expense.

MOTORCOACHES

51. Globus follows a mandatory, daily seat rotation on motorcoaches. For the enjoyment of all passengers, you must adhere to the rules of the Tour Director regarding seat rotation. Alcohol consumption is not allowed on board Globus motorcoaches.

52. Many local laws require the use of seatbelts while traveling. When seatbelts are provided, you are responsible for wearing your seatbelt. Globus is not liable, nor are our service providers, for any injury, loss, damages, claims, or death resulting from any accident or incident if you were not wearing your seatbelt at the time of the accident or incident when the motorcoach is equipped with them.

PRICE POLICY

53. All vacation prices are based on rates (reflecting foreign exchange rates) known at the time of publication and expected to be in effect at the time of departure, and do not include airfare, except where noted on specific itineraries. Vacation prices are per person, based on double occupancy (two people sharing a room). Single room supplements and triple reductions are listed where applicable. Not all accommodation types are available on all vacations.

54. Prices are subject to change without notice, subject to the guarantees set forth below.

55. Once Globus has received your full land deposit for any cruise vacation, that land price is guaranteed and you are protected against any base land price increase due to currency surcharge. Any subsequent land or cruise cost increases are at Globus' expense, not including energy cost increases and/or any government tax increases.

56. Pricing for air-inclusive vacations, including those with intra-vacation air, are guaranteed when Globus has received your full land plus air deposits and/or full air payment, as noted above. Globus reserves the right to ticket Flex-Air bookings, and vacations with intra-vacation air, upon receipt of full land and air deposits; thus, any subsequent revisions made at your request are subject to airline-imposed change fees, cancellation fees, and/or changes in airfare price, which are your responsibility to pay. Instant Purchase Air is ticketed upon receipt of full air payment; thus, full cancellation fees, as noted above, apply.

57. Vacation departures in 2019 are subject to itinerary modifications. Full details will be available in September 2018. Travelers have the right to cancel their reservation without penalty within 7 days of notification in the event of itinerary modifications for departures in 2019 prior to the release of the 2019 brochure. Vacations with Instant Purchase Air will receive full refunds for changes to vacations or vacation dates in 2019 with the release of the 2019 brochure, providing notification of cancellation is received within 7 days.

VISAS & PASSPORTS

58. It is your responsibility to verify all visa and passport requirements necessary for your vacation. You are responsible for obtaining independently and paying for all visas and entry documents, for meeting all health and other requirements, and for any documents required by the laws, regulations, orders, and/or requirements of the countries you will visit. Globus cannot accept liability for any passenger refused entry onto any transport or into any country due to failure of the passenger to carry correct documentation or adhere to specific entry and exit requirements. All visa information listed on the website, in documents, or in the brochure is for U.S. citizens only. Non-U.S. citizens must consult with appropriate consulates to determine if any visas or other documents are needed.

59. You must have a passport to travel internationally. Most countries require that the passport be valid for at least six (6) months beyond the conclusion of your trip. It is recommended you have a minimum of three blank pages in your passport when traveling. Multiple-entry visas are required for some vacations. The process of obtaining a visa and/or passport can take up to three months or more.

HOTELS, ACCOMMODATIONS & TRANSPORTATION

60. The hotels listed on the website or in the brochure are intended to be used on all departures; however, hotels are not guaranteed. Globus reserves the right to substitute other hotels than those listed on the itinerary pages. If a change becomes necessary for any reason, including alternate hotels for additional departures on the same date, or hotel location changes within or outside itinerary cities, the hotel substituted will be of equivalent quality to those shown. No refunds are provided for hotel changes; full cancellation penalties, as noted above, apply.

61. Globus contracts twin-bedded rooms. Double-bedded rooms may be requested but are never guaranteed. Triple rooms are the same size as twin-bedded rooms and are at the discretion of the hotel. Triple rooms will have beds to accommodate three people, but three separate beds cannot be guaranteed. The additional bed, if available, is often a roll-away bed put in for the night. If there are only two beds, a roll-away may be requested but cannot be guaranteed. If available, additional charges may apply for a roll-away and are payable by you directly to the hotel. Some hotels do not offer triple rooms. When a triple room is not available, hotels may provide one twin-bedded room and one single room.

62. Single supplements ensure your own room, not necessarily a twin- or double-bedded room. Single rooms in hotels are generally smaller in size and may be less conveniently located. On overnight ferries, single cabins may not be available or are limited and singles may be asked to share.

63. Accommodations outside the United States of America may not accommodate wheelchairs or be wheelchair accessible. The Americans With Disabilities Act is not applicable outside the United States of America. See the TRAVELERS WHO NEED SPECIAL ASSISTANCE ON TOUR AND/OR CRUISES clause above.

64. Room and bed preferences are not guaranteed.

65. Check-in times vary worldwide; Globus cannot control or guarantee check-in times.

66. Air-conditioning in European hotels is not guaranteed and dependent upon local and national laws and regulations. Though hotels may have air-conditioning as a listed amenity, the usage of air-conditioning is often not available at night or from October-May. Other restrictions may apply. Globus has no control over air-conditioning restrictions and regulations.

67. In the rare event included train or air services are unavailable, alternate services will be provided. Itinerary timings are approximate and are subject to change.

BAGGAGE ALLOWANCE & LIABILITY

68. Portage at hotels for one suitcase per person is included in the vacation price. Airport/train station portage is not included, unless otherwise specified in your travel documents. Be prepared to carry your own suitcase on and off airplanes and trains and through airports and train stations. Regulations within most airports require travelers to handle their own luggage through customs.

69. Your single bag should have dimensions not exceeding 30"x21"x11" and weight not exceeding 50 lbs (22 kg). We regret that we are unable to accept a second suitcase or any luggage exceeding these limits on any Globus vacation. Some vacations have more restrictive regulations than those listed above. Refer to your Travel Documents for more information.

70. Air carrier restrictions may vary from the limitations listed above. Size and weight limitations for carry-on and checked baggage vary from airline to airline and even according to destination. While making an air-inclusive booking, you will be provided with baggage fee information. After booking an air-inclusive booking, up-to-date information on carrier-specific standard checked baggage allowance (including size and weight limitations), the standard allowance (and fee, if applicable) for carry-on baggage, and the standard fee for the first and second checked bag, along with the information about additional discounts that may apply depending on flyer-specific factors (e.g., frequent flyer status, military, credit card used for purchase, or early purchase over the Internet, etc.), can be found on the carrier's website or by accessing iflybags.com. Globus is not responsible for additional fees imposed by air carriers for baggage, and these fees are not included in the air-inclusive vacation price. You will be required to pay these fees directly to the airline at check-in.

71. No responsibility is accepted by Globus for loss of or damage to baggage or any of the traveler's belongings throughout the duration of the vacation. Travelers are strongly encouraged to not bring valuables such as jewelry and large amounts of cash. Any such valuables should not be left in baggage out of the control of the traveler. Baggage insurance is recommended. See the Globus website or back of this brochure for an all-inclusive Travel Protection plan.

72. Carry-on bags should not exceed the dimensions of 12"x11"x6". For safety reasons, wheeled carry-on bags are not suitable as hand luggage on motorcoaches and mini-buses. Carry-on bags must be small enough to store in overhead bins or under the seat in front of you on motorcoaches and other transportation.

TRAVEL DOCUMENTS

73. Passenger Travel Documents, including e-ticket itineraries, are sent by regular ground delivery approximately 2-3 weeks prior to departure, provided full invoice payment has been received. If available, a service charge per reservation is added for documents requested in advance, early air ticketing, and/or for 2-day delivery or for delivery to multiple addresses. Two-day delivery with related charges is required for reservations made within 45 days of commencement of services and for delivery outside the continental United States; charges will be quoted at time of reservation.

GRATUITIES

74. Gratuities are included for services during the land stay of your vacation. This includes wait staff at included meals, hospitality staff at hotels for nights purchased through Globus, and portage at hotels for one suitcase per person. Gratuities for your Tour Director, Local Hosts®, Local Guides, driver, and ship's crew are not included in the vacation price (unless otherwise noted in pricing details) and are discretionary.

TRANSFERS

75. Unless otherwise specified on your invoice, transfers arranged by Globus are provided by independent transportation companies and are group transfers operated by motorcoach and may have pre-set departure times. Globus is not responsible for flight delays, delays in immigration or customs, delays due to lost baggage, or for any reason beyond our control if you miss your transfer. Missed transfers are non-refundable.

NOT INCLUDED IN THE LAND/CRUISE VACATION PRICE

76. The following charges are not included in the land/cruise vacation price, unless otherwise noted: airfare to and from the start of your vacation; intra-vacation air; unless specified in the itinerary; airline baggage fees, including checked and/or excess baggage fees; Federal inspection fees for the Federal U.S. Customs and Immigration; International Air Transportation tax; agricultural tax; other per-person taxes imposed by government entities; airport taxes and fees, including the September 11th Security fee up to \$11.20 per person, passenger facility charges up to \$18 per person, Federal domestic flight segment fees up to \$4.10 per segment, and U.S. and international arrival and departure and other government-imposed fees added by the airline and applicable at time of booking; port taxes; passports; visas and vaccinations; tips to your Tour Director, Cruise Director, Local Host, driver, Local Guides, and/or ship's crew; gratuities on ferries, trains, and cruise ships; laundry; telephone; minibar; alcohol, beverages, and food outside of the contracted Globus

menu as presented at a hotel or restaurant or on board your vessel (these extra items will be billed to you before leaving the hotel, ship, or restaurant); airport transfers on non-qualifying flights; optional excursions; portage at airports and train stations; Travel Protection; and all other items of a personal nature.

REFUNDS

77. Any request for refunds is subject to these Terms & Conditions; no refund will be made for unused services of less than 48 consecutive hours, for unused transportation where group activity tickets are involved, or for voluntary modifications made by the traveler. Airport transfers are complimentary with air booked through Globus on qualifying flights and dates. Not all flights or dates qualify. Customers not using the included transfer will not be given a cash equivalent or vacation price reduction.

SERVICE INQUIRIES AFTER THE VACATION

78. As it is difficult and sometimes impossible to properly investigate a complaint if Globus is not advised of such complaint quickly, any compensation you may have been able to claim could be reduced or even forfeited if you do not follow the complaints procedure set out in this clause.

79. After returning from your vacation, if you wish to inquire about any services provided, ensure that all correspondence relating to those services is received by Globus, Traveler Services, Group Voyagers, Inc., (see address under "Responsibility"). Any complaint or claim involving the vacation services offered in the Globus brochure or on the Globus website, involving the negligence of any suppliers, sub-contractors, or agents in relation to any service provided to the vacation participant, must be notified to Globus while on vacation or within 30 days of the vacation completion, except where such time limitations are prohibited by law.

HOLIDAYS

80. During local or national holidays or special events, peak seasons, on Sundays, and during religious occasions, certain facilities such as museums, churches, restaurants, sightseeing tours, hotels, and shopping may be limited or not available. Alternatives will be offered whenever possible. Globus cannot be held responsible for any closures, necessary itinerary changes, or curtailments for any reason.

CHRISTMAS MARKET VACATIONS

81. Christmas markets generally open in late November and close around the third week of December.

SAFETY

82. Be aware that during your participation on vacations operated by Globus, certain risks and dangers may arise beyond our control, including, but not limited to: the hazards of traveling in undeveloped areas; travel by boat, train, automobile, aircraft, or other means of transportation; forces of nature; political unrest; acts of lawlessness or terrorism; and accident or illness in remote regions without means of rapid evacuation or medical facilities. Globus will not have liability regarding provision of medical care or the adequacy of any care that may be rendered. While Globus will use its best efforts to ensure that adequate measures are taken, by agreeing to participate in a vacation and/or optional excursions you agree that you will hold Globus harmless regarding any provision of medical care or the adequacy of any care rendered. Globus is not responsible for such risks and dangers that may arise beyond our control. Payment of your deposit indicates you accept these risks and dangers and agree to hold Globus harmless for such.

83. No weapons of any type are permitted on Globus vacations at any time. This includes, but is not limited to, firearms, knives, mace, brass knuckles, and other weapons of any type.

PHOTOGRAPHS & PICTURES

84. Photographs or pictures appearing in this brochure should be used solely as an indication of facilities and attractions. Actual facilities and attractions may vary according to itinerary. Maps shown on the vacation pages are current at the time of printing and may not reflect the actual routing should the itinerary change.

OPTIONAL EXCURSIONS

85. Optional excursions ("the Services") available for booking are provided by local operators or other third parties that are entirely independent of Globus and do not form any part of the product or services sold to you by Globus or of these Terms & Conditions, even where Globus suggests particular operators/other third parties and/or assists you in booking such optional shore excursions. Your contract for such Services will be with the organizer or operator of that Service, and will be subject to its Terms & Conditions, which may contain exclusions or limitations of liability. Globus has no liability for any such optional excursion or for any act(s) or omission(s) of the organizer or operator or for any of its employees or agents or any other person(s) connected with the optional excursion.

86. Any advice or assistance on or with any Service provided by any local representative does not mean or imply that the Service is sold, supervised, or controlled by Globus, or that any such advice or assistance is given on behalf of Globus. Vacation participants are asked to check with the operator of any optional excursion and the applicable Terms & Conditions before booking.

87. For operational reasons, not all optional excursions listed in the cruise itinerary, in print, online, or in travel documents may be available during your vacation. Your Tour Director will advise of availability while on the tour.

88. Optional excursions purchased online are subject to the Optional Excursions Term & Conditions which can be found on MyGlobus or MyMonograms.

FORCE MAJEURE

89. Globus assumes no liability for any loss, damage, or entry of any nature in whole or in part resulting from an Act of God or any other force majeure condition, including, without limitation: fire, volcanic eruption, environmental pollution or contamination, inclement weather, earthquake, low or high water levels, flood, water or power shortages or failures, tropical storms or hurricanes, riots or civil commissions or disturbances, and any other acts of a similar nature, sabotage, arrests, strikes or labor disruptions, restraint of rulers or peoples, expropriations, acts of terrorism, war, insurrection, quarantine restrictions, government health advisories, or warnings or alerts of any kind of nature, government seizures, refusal or cancellation or suspension or delay of any government authority or any license, permit or authorization, damages to its facilities or the travel supplier and its facilities, or any other unforeseen circumstances or any other factors unforeseen by Globus that impacts negatively on, or hampers, its ability to fulfill any of its contractual conditions. In the event that any of these conditions apply, Globus shall be excused, discharged, and released from performance to the extent such performance is so limited or prevented, without liability of any kind.

WI-FI

90. Wi-Fi connectivity on transportation provided by Globus (for tours where Wi-Fi is available on the motorcoach) is provided by an independent third party with separate Terms & Conditions of usage and acceptance thereof. These can be found online or will be made available upon request. Wi-Fi connectivity is not guaranteed, and is often disrupted, unavailable, and slower internationally than you are accustomed.

DATA PROTECTION

91. Some government agencies in foreign countries require Globus to collect and pass on in advance of travel certain personal and other details related to you, including, but not limited to, government-issued identification and passport details. If you fail to supply the details, as requested, fully and accurately, your trip may be interrupted or canceled. There are no refunds for failure to provide documentation or failure to provide documentation by the time required.

92. We will use your personal data secured during your booking or during online check-in to process your booking with our suppliers. These details include your full name, address, date of birth, passport number and expiration date, occupation, credit/debit card information and any disability, medical conditions, or dietary restrictions disclosed to Globus for you and all of your traveling party.

93. It may be necessary to transfer these details to other countries or authorities in which the data protection and privacy laws are less stringent than ours. This may include requirements to pass details to our suppliers as well as certain governments or government-appointed bodies, or agencies in the interest of security or because we are obliged to by law. By making a booking with Globus, you agree to Globus storing, using, and passing on this data to other third parties for reasons as stated above and hold Globus not liable for the usage and protection of that data.

RESPONSIBILITY

94. Group Voyagers, Inc., located at 5301 South Federal Circle, Littleton, Colorado 80123, is an independent company ("the Company") licensed to market and distribute travel products under the Globus brand name, and arrange for the vacation services offered on this website or in the brochure, including transportation, sightseeing, and accommodations through independent contracts.

95. Air carriers, accommodations, and other suppliers (including, but not limited to, trains, cruises, ferries, motorcoaches, hotels, and restaurants) providing services are independent contractors and are not agents, employees, servants, or joint venturers of the Company or its affiliates. All certificates and other travel documents for services issued by the Company are subject to the Terms & Conditions specified by the supplier, which are available upon request, and to the laws of the countries in which the services are supplied.

96. The international carriage of passengers is subject to international conventions and treaties, where applicable. These international agreements limit and, in some events, exclude the carrier's liability to passengers (vacation participants). Where any claim or part of a claim (including those involving death or personal injury) concerns or involves any travel arrangements (including the process of getting on or off the transport concerned) provided by any air, sea, inland waterways, rail or road carrier, or any stay in a hotel, the Company's maximum liability is the maximum that would be payable by the carrier or the hotel keeper concerned under the applicable international convention, treaty, or regulation applicable to the travel arrangements or hotel stay (e.g., the Warsaw Convention, the Montréal Convention for international travel by air; the EU Regulation on Air Carrier Liability for air carriers with an operating license granted by an EU country, the Athens Convention for international travel by sea) in that situation.

97. After departure, if the Services included in the vacation cannot be supplied or there are changes in an itinerary for reasons beyond the control of the Company, depending on the circumstance, the Company will take reasonable action to arrange for the provision of comparable services. Any resulting additional expense will be the responsibility of vacation participants, and any resulting savings will be refunded by the Company to vacation participants.

98. The Company reserves the right to accept or reject any person as a vacation participant; to expel any participant from the vacation; to make changes in the itinerary whenever the Company deems it necessary for the comfort, convenience, or safety of the participants; and to cancel a vacation at any time.

99. The vacation participant agrees that neither the Company nor its affiliates shall be liable for any damage, loss (including personal injury, death, and property loss), or expense occasioned by any act or omission of any supplier providing services, any insurer or insurance administrator under the Travel Protection plan, or any other person.

100. Any dispute between the vacation participant and the Company, directly or indirectly relating to the Terms & Conditions and/or the vacation undertaken, shall be first submitted to mediation in Denver, Colorado, before a mediator mutually agreed to by the parties. If mediation is not successful, then the dispute shall be resolved by binding arbitration under Colorado law before the Judicial Arbitrator Group or its successor located at 1601 Blake Street, Denver, Colorado 80202.

101. The Arbitration against the Company or the vacation participant shall be invoked in writing under the laws of the State of Colorado within a period of 12 months following the date of completion of the vacation and not later. Neither of the parties nor any affiliate of the Company shall in any case be liable for other than compensatory damages, and they hereby waive any right to claim punitive damages. The Governing and substantive law for the Arbitration proceedings would be laws of the State of Colorado, USA. The prevailing party shall be entitled to an award of costs and reasonable attorneys' fees.

102. Any action to enforce the arbitrator's decision shall be brought only and exclusively in the state or federal courts in the State of Colorado, USA.

103. No person, other than an authorized representative of the Company by a document in writing, is authorized to vary, add, or waive any term or condition on its website or in its brochure, including any term or condition set forth in the preceding provisions.
